

The PAR-Max Family of High Performance Washdown Pumps

FROM THREE TO SEVEN GALLONS PER MINUTE

For many years, Jabsco PAR-Max washdown pumps have been the preferred system for cleaning marine vessels, making it an industry standard.

That's because all Jabsco products are specifically designed to fit the expressed needs of boat builders and enthusiasts alike. Jabsco now introduces two new pumps to their existing lineup, the Ultra 7.0 and the Economy 3.0 washdown pumps.

The Ultra 7.0 Washdown Pump brings new meaning to the term "Blasting". This seven gallon per minute pump's powerful spray makes cleaning your boat or dock faster and easier than ever. Its robust design will provide many years of reliable service.

The Economy 3.0 Washdown Pump was developed for the price conscious boater looking for an affordable method to cleaning their boats. As with all PAR-Max washdown pumps, the Economy 3.0 is backed by an industry best 3 year warranty.

Features

- High pressure jet blasts mud and silt from anchor chain and decks
- Waterproof, sealed motors
- Dry running capability
- Thermal overload protection automatically stops the motor if it overheats
